

TOWN COUNCIL WORK SESSION
May 19, 2005

Council President Donna Turner convened this work session at 6:00 p.m. in the Council Chambers of the Town Hall. The following Council and staff were present: Donna Turner, President, Mary McCarthy, Vice President, Norman Pinder, Member, Royden Powell, Town Manager, and Jane Saulsbury Administrative Aide.

Mr. Powell presented the proposed budget amendment (Ordinance No. O-02-05) which is authorization to spend money in another category and explained the appropriation adjustments. It will have first reading at Council's meeting tonight.

It was reported that the bill for the audit has not been paid because it is still being justified. Council wants to ask for a breakdown of the fee and the cost has doubled.

The next work session will be held on Monday, May 23rd at 4:00 p.m.

Mrs. Mary Margaret Goodwin introduced her proposal to compile a "History of Centreville" which will also preserve a large number of photographs and documents which are deteriorating. She advised she will be speaking with individuals in separate bookings and that they will sign permission for their photos to be used in the project. All of the information will be compiled on a CD which will then be available for citizens to purchase. She is requesting \$3000 as the projected cost of the project. Mrs. McCarthy moved that Council approve \$1500 in this year's budget for the project proposed by Mrs. Goodwin and \$1500 in next year's budget. Mr. Pinder seconded the motion. All being in favor, the motion passed.

Mr. Pinder suggested that Council help with the Queen Anne's County 300th Anniversary Celebration. Ideas being considered are a parade and fireworks. A letter will be sent to the County advising of the Town's interest in participating.

There being no further items to discuss, it was moved and seconded by Mrs. McCarthy and Mr. Pinder, respectively, to adjourn the work session. All being in favor, the meeting adjourned at 6:36 p.m.

Respectfully submitted,

Jane Saulsbury, Administrative Aide
